DUCKTAPE®
BRAND DUCT TAPE

JEWELRY BOX CRAFT

Once you get started, your imagination is your only limit!

Crafting Instructions

Supplies Needed:

1 roll of Purple, Pink and Chrome Duck Tape®, Craft Box, and Glitter Foam Stickers
Optional materials: cutting board, work surface, scissors or cutting tool.

1. Decide whether you want to cover your jewelry box in Purple or Pink Duck Tape. Begin tearing off strips that are approximately the width of your craft box (8 inches), to cover outside of box.

2. After the outside of the box is covered, cover the inside of the box with strips of tape about 7 inches long in a different color of Duck Tape®. Be sure the edges are clean for an even look.

3. To create a shiny border around the lid of the box, tear 4 strips of Chrome Duck Tape and adhere to the edges (fold any excess tape under the lid).

4. To create tiny stripes, tear the Duck Tape (your choice of color) lengthwise.

5. Complete your personal design by sticking the Glitter Foam Stickers around the jewelry box.

Tips and Ideas:

- ★ Make your jewelry box personalized by creating the letters of your name out of Chrome Duck Tape!
- ★ Cover small pieces of cardboard with Duck Tape to create dividers inside your jewelry box.
- ★ To see yourself in your jewels, tape a small pocket mirror under the jewelry box lid.
- ★ Designs to create on your jewelry box are endless – tear small pieces of the Purple, Pink and Chrome Duck Tapes to make a mosaic design, alternate colors so each side of the box has different colors, make diagonal lines or even a plaid pattern!
