PURSE CRAFT

*Once you get started, your imagination
is your only limit!*

Crafting Instructions

Supplies Needed:

1 roll of Black, Aqua, Pink and Chrome Duck Tape®, Glitter Foam Stickers
Optional materials: cutting board, work surface, scissors or cutting tool.

To create the body of the purse:

1. Tear a strip of Black Duck Tape that is about 14 inches long, and place it on your flat surface sticky side down.

2. Tear 5 strips to the same size and place next to each other, overlapping the edges just slightly to create a "sheet" of Duck Tape.

3. Carefully pull the sheet up and turn over, sticky side up. Cover this side with overlapping strips going in the opposite direction.

4. Once the sticky side of the sheet is covered, trim off any excess tape to make a rectangle.

5. Fold the sheet in half to create the body of the purse, and then tape the sides to seal the edges. Trim any excess.

To create the purse handle:

6. Tear 1 strip of tape slightly longer than desired length of purse strap, and place it on your flat surface sticky side down.

7. Tear a second piece of tape, the same length, and overlap their edges just slightly.

8. Carefully pull the "sheet" up and turn over, sticky side up. Cover this side with a strip of tape in the same direction and trim excess.

9. Attach ends of the strap to the outside of the purse with small pieces of Black Duck Tape®.

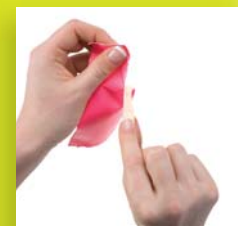

10. Use the other rolls of Duck Tape to decorate the purse with any design you can think of!!

Tips and Ideas:

- ★ To create a closing flap, repeat Steps 6 - 8 with shorter pieces of Duck Tape®. Center the strap on the outside of the purse and adhere with Duck Tape.
- ★ For a colorful purse handle, use a different color of Duck Tape in Step 8.
- ★ Make the inside of your purse a different color by using the Pink Duck Tape in Step 3.
- ★ For a crisscross or plaid pattern, use even skinnier strips of Duck Tape by tearing the tape in half.
- ★ Create "appliqués" by making small "sheets" of Duck Tape (Steps 1-4). Use scissors to cut out desired shapes and adhere with Duck Tape.
