WALLET CRAFT

Once you get started, your imagination is your only limit!

Crafting Instructions

Supplies Needed:

1 roll of **Black and Chrome Duck Tape®**
Optional materials: cutting board, work surface, scissors or cutting tool.

1. Tear a strip of **Black Duck Tape** that is about 7 inches long, and place it on your flat surface sticky side down.

2. Tear 4 strips to the same size and place next to each other, overlapping the edges just slightly to create a "sheet" of Duck Tape.

3. Carefully pull the "sheet" up and turn over, sticky side up. Cover this side with overlapping strips going in the opposite direction.

4. Once the sticky side of the sheet is covered, trim off any excess tape to make a rectangle.

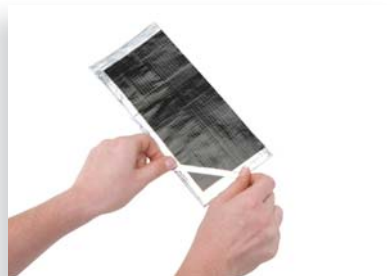

5. Fold the sheet in half to create a rectangle, and then tape the sides with **Chrome Duck Tape®** to seal the edges. Trim any excess.

6. Fold the wallet in half so the short sides line up.

7. Decorate the wallet with **Chrome Duck Tape** to create any design you can think of!

Tips and Ideas:

- ★ To create a pocket inside the wallet, make a mini "sheet" of tape and adhere with small pieces of **Duck Tape®**.
- ★ Cut windows out before applying pocket to see the outer most card.
- ★ Create a monogrammed wallet by creating your initials out of **Chrome Duck Tape**.
- ★ For a crisscross or plaid pattern, use skinnier strips of **Duck Tape** by tearing the tape in half.
- ★ Create "appliqués" by making small "sheets" of **Duck Tape** (Steps 1-4). Use scissors to cut out desired shapes and adhere with **Duck Tape**. (Hearts, Airplane, Sports Theme, School Letters, Stars, Favorite Animal, Flower, etc).
